

Suspensions Policy Statement

Gentoo is committed to ensuring that our Allocations and Lettings Policy is inclusive and accessible for all, however there may be times when applicants do not meet the criteria for registering and applying for properties.

In these instances, each application is assessed on its individual merits against our Suspensions Policy.

If it is decided to suspend an application then we will assist applicants, in conjunction with other agencies to seek alternative housing, and/or work towards eligibility for our housing register.
